9 Unless a greater value has been placed on a shipment at the time that a delivery service request is made to the Action Xpress ("Company" office, or at the time pickup of the shipment occurs, it is agreed that in consideration of the rate being charged, the liability of the Company for damages is limited to \$100. If the shipper declares to the Company's office or representative that the value of the shipment exceeds \$100.00, the Company may furnish a rate which will provide insurance against damage to, or loss or delay of, the shipment at the higher value so declared by the shipper subject to certain limitations indicated in the Company's Standard Rules and Tariffs Policy. In any event, the Company is not liable for any damages whether direct, indirect, special or consequential, in excess of the declared value; including but not limited to loss of income or profits; whether or not any representative of the Company had knowledge that such damages might be incurred. The Company is not liable for the shipper's acts or omissions including but not limited to incorrect declaration of cargo value or contents, improper or insufficient packing, securing, inaccurate marking or addressing of shipments, or for acts or omissions of the recipient. The Company is not liable, to any extent, for the loss of or damage to shipments of cash, currency or other prohibited items indicated in the Company's Standard Rules and Tariffs Policy, where such items were not identified and insured by the shipper prior to pick up by the Company. The Company will not be liable, to any extent, for loss, damage or delay caused by events the Company cannot control, including but not limited to acts of God, perils of the air, water conditions, acts of public enemies, war, strikes, civil commotions or acts of omission of public authorities including customs and health officials with actual or apparent authority. All complaints regarding damage to, loss or delay of, any special or consequential damages must be submitted in writing to the Company's office within 15 days of delivery of the shipment. Information regarding insurance rates, limits, and terms can be requested from the Company's main office.
